This Committee to form one of the Standing Committees.

2. That Peel and Wellesley Circuit be divided, and that the furniture of said Station shall be the property of Peel Circuit; Hawksville becoming a Mission.

3. That Mitchel and Kirkton Stations be united, and named Mitchel and Kirkton Mission. Married Preacher to reside at Mitchel.

4. That whilst satisfied with the kindly feeling existing between Brother W. S. Hughan and Brantford Membership, yet we cannot violate our rule of Conference limiting a Minister's being stationed over three years.

5. That the Official Brethren at Walsingham be requested to forward to the General Missionary Committee the reasons of their decrease, with all the particulars; and that for the future they provide their own evidence for the District Meeting, and not *depend* on the General Missionary Committee to furnish such evidence as may be necessary.

That at each Connexional Place of Worship every possible effort be made to establish *Denominational Sunday Schools*, and that all our Ministers preach at least once a quarter at each place on the subject of Sabbath Schools, and see that the Reports of Sabbath Schools be regularly entered in the Minute Book of each Station.

✓ 13. That we regret some of our Ministers use tobacco, and think that future Conferences should express their views on any of the Membership continuing this injurious practice.

15. That the Conference strongly recommends to Trustees that all our Connexional property be insured.

20. ON GARDENS.—That in case of a Minister's removal, the Committee of the Station is kindly requested by Conference to hold a "Bee," or otherwise, and prepare the garden for the incoming Minister,—the outgoing one to direct, as much as he possibly can, the necessary preparations.

21. That no Mission Station shall commence the building of a New Church until the District Committee has given its sanction, on being properly applied to.

22. That we express our sympathy with Orangeville Mission, in not yet being able to become a Circuit; but trust by next Conference, at least, this result will take place.

23. That in the present state of our financial affairs, the Conference is of opinion that Grand River and Bosanquet Stations should become Mission Circuits forthwith.

24. That a reply be sent to the Fraternal Address of the Primitive Methodist Conference in the Western States.

25. TORONTO CIRCUIT.—That this Conference expresses its thanks to Robert Walker, Esq., for his generous gift of land and commodious Church on Parliament Street; and also for erecting additions to Alice Street Church, whereby the Sab-

bath School, Class Meetings, &c., have increased accommodations; likewise to John Bugg, Esq., for the liberal gift of Land on which the New Church on Queen Street is situated.

---	-----------

It will be seen from this statement that no margin has been left towards paying expenses for furniture and travelling to Stations, for as five married preachers are at this Conference removed from Missions, your Committee hope there will be no furniture bills, or if any, they will be very limited, and that the removal expenses will be made as light as possible.

Your Committee find the claims on the Children's Fund for the current year to exceed the income by \$217 00, which sum has been offered to the Conference in subscriptions, on the following condition, viz., that the Conference shall vote from the Relief Fund the balance due to the Treasurer from April, 1864, of \$552 29, as given in the printed Minutes. This will entirely relieve the Children's Fund from all liabilities, and will leave a balance in the Relief Fund of \$105 25.

Your Committee further recommend that the amount the Conference Fund is short this year of the expenses incurred, namely, \$53 07, be also paid from the Relief Fund, leaving a nett balance of \$53 07.

Your Committee find that the claims upon the Children's Fund exceed its income by *one-eighth*; they therefore recommend that a deduction be made from the allowance to each child of *one-eighth*, or \$1 00 per quarter; and to meet the anticipated increase of the ensuing year, and with a view to make the Fund self-sustaining, they further recommend the increase of the assessment by the same percentage.

The Conference is advised to require all Ministers to settle their Book accounts within six months from the present date, and afterwards quarterly, to correspond with the action of the Home authorities on this subject; and also to require all outstanding Missionary moneys to be paid to the Treasurer forthwith.

In conclusion, your Committee recommend that the arrears of Children's Fund money due from Mission Stations be deducted from this quarter's grants to said Stations.

All of which is respectfully submitted.

Wm. Rowe, Chairman.	Francis Sleigholm.
John Davison.	Thomas Cook.
Jonathan Milner.	Joseph Lawson.
Robert Walker.	John Baker.
John G. Walker, Secretary.	

Confirmed by Conference.

Kingston, 12th June, 1865.

Granting Committee's Report for 1865.

Received from Financial Committee	\$5489 00
June Quarter's grants (1865) taken from above.....	1515 00
Leaving a balance of	3974 00
Quarter of supposed income of Missionary money of next year added, to bring grants up to June, 1866	1250 00
Total	\$5224 00

Total amount in grants for 4 quarters, to June, 1866	\$5776 00
Total available money from Financial Committee..	5224 00

Leaving a balance overdrawn of	\$552 00
--------------------------------------	----------

1. The Committee have done their best in the grants to Stations and appropriations for the Children's Fund, but have made no calculations for travelling expenses and furniture.

2. Though we have overdrawn by \$552 00, we believe the Brethren cannot bear a less salary in one year than the foregoing grants provide for.

3. There is no provision made for the \$80 00 in Bro. Ryder's case.

4. It is to be understood that provision has been made in the grants for all the Missions, as well as the Circuits, to pay the full proportion of Children's Fund money—two-thirds of the Mission Stations' proportion having been added to their grants.

5. That having no data upon which to judge of Barrie Mission, in order to make a grant, the Committee recommend that it be left in the hands of the General Missionary Committee, to deal with it on an equal scale with the other Missions, as far as possible.

6. That in consideration of the financial crisis in our Mission Fund, we strongly recommend the general application of the minute passed in the Conference upon a collection being made each time of preaching service.

7. That the grant made to the Bruce Mines Mission has no provision for any board for the young man.

8. There has been no provision made in the grant to Napanee for a home for the young man.

9. That this Committee cannot see any way for the request of Collinsby Station for a second Preacher for the present year.

10. That we recommend the Stanley Station furniture be removed to Mitchell.

11. That we recommend that part of Plympton furniture be removed to Bosanquet, and that Napanee furniture be taken care of by the authorities of the Station; also we recommend that furniture be provided for Hawksville Mission, to the amount of \$50 00.

12. That in view of the state of our funds, we strongly recommend Grand River Mission be made a Circuit forthwith.

13. That we recommend Bosanquet Mission also to be made a Circuit forthwith, according to rule.

Report of the Committee convened to consider the desirability and practicability of an Educational Institute.

At a meeting of the Committee, held on Wednesday, 12th October, 1864, it was—

Resolved—1. That we suggest to the Conference of 1865, that, for the present, Lectures on Divinity be given by some Brother or Brethren whom Conference may appoint, for the purpose of Theological Instruction to those young men in our Ministry, or Candidates for our Ministry, who may be able to avail themselves of such assistance, and that the young men be very strongly recommended to attend said Lectures.

2. That we recommend to Conference the formation of an Educational Fund.

3. That we recommend Conference to request that each Preacher raise on behalf of said fund at the rate of one dollar per quarter.

4. That special appeals be made to our wealthy friends, for aid in support of this fund.

5. That the Theological Lectures alluded to in the first Resolution be delivered in Toronto.

6. That we very strongly recommend that the District Ministerial Associations have Theological Lectures delivered at their meetings.

7. That we strongly recommend Conference, that without exception it be binding upon every Candidate for our Ministry to be examined by the Examining Committee of the District in which the application may be made; and that all Examining Committees be very particular as to qualifications.

8. That we recommend Conference to appoint an Educational Committee yearly, to attend to all needful business respecting the Education of our young men; report on the Lec-

tures that may be given ; and also to present a general Report to the following Conference.

Signed, JOHN GARNER, President.

Report on Sabbath Observance.

Your Committee has carefully taken into consideration the importance of the Sabbath being preserved in its purity,—of the purposes of God in its appointment being consummated by us as a people ; and would therefore recommend for the favorable consideration of Conference the following Resolutions :—

1. That we would earnestly urge upon the Members and Officials of our Church the solemn duty of keeping the Holy Sabbath with all possible sacredness,—of making it for themselves and families indeed a day of rest, a day of spiritual growth and blessedness ; and of impressing upon their children and households the sacred and solemn character of the Lord's Day.

2. That we would earnestly and affectionately request the beloved Ministry of our Conference to preach upon this subject as often as possible each year, so that our members and hearers may be kept alive to the great importance of Sabbath Observance.

3. That we would express our sense of the deep obligation which our country owes to the various agencies engaged in promoting Sabbath Observance, especially to the Kingston Sabbath Observance Society ; and would assure it of our warm sympathy and hearty concurrence in its good work of Christ.

4. That a Petition be drafted to our Legislature, signed by the President and Secretary of this Conference, pleading for the cessation of all Sabbath work on our Public Works, Canals, Steamboats, and Railways.

All which is respectfully submitted.

Report of Temperance Committee.

TO THE PRIMITIVE METHODIST CONFERENCE.

DEAR BRETHREN,—We, the Temperance Committee, having duly met according to your appointment, beg to submit:—

1. That we greatly rejoice in the success of Mr. Dunkin's Bill in various parts of this Province; and we most sincerely recommend all our Members and Officials, in future, to do their utmost that it may become a general law.

2. We highly disapprove of alcoholic wines being used at our Sacraments, and especially at Conference; and we recommend that unfermented wines be substituted in their place.

3. That as it is our conviction that all our regularly employed Ministers are total abstainers, we strongly recommend all our Members to follow their example in this respect; and that when new Members are received into our Church, the Minister in charge shall show them the propriety, where requisite, of relinquishing all kinds of intoxicating drinks.

4. We recommend that all our Ministers, on their respective Stations, pay particular attention to establishing Bands of Hope, as much good has been done by them; as the education of the young is of paramount importance.

5. That we recommend the next District Meetings to make strict enquiries as to whether the minute of last Conference has been complied with in reference to preaching a Temperance Sermon, as we fear in some instances it has been omitted; and also that the District Meetings be very particular as to the answers given to the question on the Station Reports, "Do your Officials use Intoxicating Drinks as a beverage?" as we find some of the answers, in our opinion, very unsatisfactory.

All of which is respectfully submitted.

Signed on behalf of the Committee,

JAMES CHEETHAM, Secretary.

PASTORAL ADDRESS

*To the Members of the Primitive Methodist Church,
from the Canadian Conference.*

VERY BELOVED BRETHREN,

At no preceding Conference of our Denomination has your Representatives enjoyed greater happiness than at the one held in the City of Kingston—whether in reference to the beauty of the season, the hospitality of the people, the order preserved in the Assembly, or the success of the Moral and Religious Services which resulted in the conversion of souls.

In the investigation of our work, which was anxiously pursued by your Delegates, thankfulness was expressed for an increase of Membership and Churches erected, and other evidences of prosperity; but feeling of regret came over us when it was ascertained that many of our useful and beloved friends had passed away from amongst us by death and removals; and that several Brethren who had long laboured in our Ministry had to SUCCEUMB, through age and infirmity, and other controlling causes. During the year, some of our Ministers have had to suffer by affliction and deficient salaries, but they have borne their trials with that fortitude and resignation which was to be expected. In consequence of the Connexional Funds being overdrawn, unless our Membership and adherents come up to the point of giving *as God has pros-*

pered them, continued privation and contraction of our work will be the inevitable result; but we hope for better things. Increased revenue this year will relieve the privations of the Missions especially, and enable the Church to employ those acceptable young men who are ready to grasp the standard of the cross, and bear it victoriously onward.

In this brief address, dear Brethren, allow us earnestly to call your attention to the great secret of that success in which lies your devotedness to God and his cause, which is holiness of heart and life. No consideration or appliance will be found a substitute for this. For your own happiness and that of your households—the revival of God’s work—the salvation of sinners, seek for this. In this connection we also remark, secure time and place for private devotion and reading God’s word, then the life of religion will be kept up in your soul, and you will be saved from a propensity to trifling and novel reading, and consequently a fallen state of soul and character.

Let us urge you to check every rising and inordinate aspiration in regard to the love of money, and by industry and punctuality in your avocations provide things honest in the sight of all men; and honor your profession and Church by a moral practice that cannot be impeached. If not actively engaged in working for God, sustain the hearts of your Ministers by attendance on the public ministry, and especially the class and prayer meetings.

This is a day, dear Brethren, in which, through the facilities of education, much is being done in relation

to the intellect of the young. Be it yours to labour to *educate the heart* in the Sabbath School and in the family, and work with energy to keep hold of the youth and preserve them to the Church by every legitimate means that your invention and solicitude can possibly devise. Be decided abstainers from all strong drinks and tobacco smoking, as injurious to the body, and bad in example ; and as crippling your means for useful reading and sustaining the cause of God. Repudiating bigotry and sectarian feeling, be *whole souled* in your own Church and its measures ; examine your Discipline ; know the rules of your Church and keep them ; patronize the literature of the Connexion ; and never be in debt with your subscription to the *Christian Journal*, nor to the Preachers who supply *your orders* for Hymn Books, Magazines, &c., as they have to settle their accounts quarterly with the General Book Steward.

And now, dearly beloved Brethren, may the God of Peace, that brought again from the dead our Lord Jesus, that great Shepherd of the Sheep, through the blood of the everlasting covenant, make you perfect in every good work, to do his will, working in you that which is well pleasing in his sight, through Jesus Christ, to whom be glory for ever and ever. Amen."

JOHN DAVISON, *President*,

WILLIAM LOMAS, *Secretary*.

* To preach Missionary Sermons.

Any member of a Deputation unable to take his appointment must give timely notice to the Superintendent of the Station to which he is appointed. It is hoped, as the above arrangements were settled by Conference, that the Stations will not make any alterations or postponements of the Meetings fixed to take place, without obvious necessity, and that each Superintendent will correspond in time with the Deputation appointed for his Meetings, that no mistakes or misapprehensions may arise. No protracted meetings or other engagements will justify neglect of Deputation appointments—\$2 fine for wilful neglects.

THE

Christian Journal

NEWSPAPER.

The CHRISTIAN JOURNAL has succeeded beyond the most sanguine expectations of its Friends, and as a Religious and Temperance Journal, it has already been extensively useful.

Its Eighth Volume will commence in July, 1865, at which time we fully expect all our Subscribers will renew their subscriptions, and pay them to the Ministers in their neighbourhoods, or remit them by letter to "The Editors of the Christian Journal, King Street, Toronto.

Our circulation has reached a very respectable number already ; but we anticipate for the next year, commencing in July, a large increase of Subscribers ; and at that period, we trust, a general and energetic effort will be made by all our Ministers and Friends in their respective localities.
